MEMORANDUM FOR: [REDACTED]

Special Assistant to the Director

SUBJECT:

Ambassador Willauer

Ambassador Willauer called me today and said, among other things, he had some information on the situation in his area which he wanted to give to Mr. Dulles and Mr. Wisner personally. He said he will be back in town after the first of the year and I offered to try to arrange an appointment. If you will set a time I should think in the week starting 7 January, if convenient to the Director, it would suit Mr. Willauer's purposes.

N. B. If a meeting is arranged, I believe the Director should be reminded just before he sees him that Mr. Willauer's real purpose in coming in is probably to get some support for a new Ambassadorial post in Europe. [REDACTED] and claims we should support it because of the intelligence potential with which Willauer could help us. I have told [REDACTED] that we probably could not take any position on such an appointment.
